

## C11: Correct calculation of the total price

Type	Priority	Estimate	References
Functional	High	None	None
<b>Automation Type</b>			
None			

## Preconditions

1. The main page is opened (<https://> )

## Steps

Step	Expected Result
1 Scroll until the items will be shown	The items are displayed on the page
2 Click on the "Buy" button for the item from Furniture section	The page with detailed information about the item is shown
3 Click on the "Buy" button on the product details page Note: remember the price of the item	The page with detailed information is hidden. The basket pop-up window is opened. Selected item displays in the basket (quantity is 1, price corresponds with the price shown on the main page)
4 Increase the quantity of the item by clicking on the "+" button	The quantity of the item is increased by 1. The price is equal to the price of one item multiplied by the quantity of items.
5 Click on the cross icon to close pop-up window	The pop-up window is closed. The main page is opened. The basket floating icon displays in the upper right corner of the page. The label on the floating item contains "2".
6 Click on the "Buy" button for the item from Accessories section	The page with detailed information about the item is shown
7 Click on the "Buy" button on the product details page Note: remember the price of the item	The page with detailed information is hidden. The basket pop-up window is opened. Selected item displays in the basket (quantity is 1, price corresponds with the price shown on the main page)
8 Increase the quantity of the accessories item by clicking on the "+" button	The quantity of the item is increased by 1. The price is equal to the price of one item multiplied by the quantity of items.
9 Look at the total price	Total must be equal to the price of an item multiplied by the number of items of this type, summed up as many times as there are types of products in the basket.  Example: Total price = (Furniture item price * quantity of furniture items) + (Accessories item price * quantity of accessories items)
