

C6: It is possible to increase the number of items in the basket

Type	Priority	Estimate	References
Functional	High	None	None
Automation Type			
None			

Preconditions

1. The main page is opened (<https://> 
2. There is one item in the basket

Steps

Step	Expected Result
1 Click on the Basket floating icon in the upper right corner of the page	The Basket pop-up window is shown. The selected item is displayed in the basket.
2 Click on the "Plus" button next to the item	The quantity of items is increased by 1. The total price increased according to the quantity of items (item price * quantity of items).
3 Click on the cross icon to close pop-up window	The pop-up window is closed. The main page is opened. The basket floating icon displays in the upper right corner of the page. The label on the floating item contains "2".
4 Hower over the "Basket" floating icon	The tooltip with items price is shown.
5 Click on the "Basket" floating icon	The basket pop-up window is opened. Selected items display in the basket (quantity is 2, price corresponds to the quantity of items in the basket)
